After meritorious deeds of any sort, a Bodhisattva, an Awakened Being, can share the goodness with the world by making a wish and dedicating the merit. The scope of your mind and the sincerity of your heart determines the efficacy of your vows. When, as today, so many hearts dedicate together, the effect can change the world in profound ways. - Dharma Master Heng Sure

Lyrics

May every living being, our minds as one and radiant with light.

Share the fruits of peace, with hearts of goodness, luminous and bright.

If people hear and see, how hands and hearts can find in giving, unity.

May their minds awake, to great compassion, wisdom and to joy.

May kindness find reward, may all who sorrow leave their grief and pain.

May this boundless light, break the darkness of their endless night.

Because hearts are one, this world of pain turns into paradise.

May all become compassionate and wise.

May all become compassionate and wise.
